

Adopt-A-Garden Workshop Follow-up

September 20, 2006

Thank you for participating in the Port of Olympia's recent Adopt-A-Garden workshop. We were pleased to see so much interest.

We have several important items to share with you and would also like to respond to some questions we've received.

- In order to encourage active communication between groups, we would like to know if we can share your contact information with the other workshop participants. Please reply to this message with your preference.
- We have extended the application deadline from October 30th to **NOVEMBER 30TH**.
- We are exploring the liability issues and will get back to you with more information.
- The Olympia Rotary has requested that we direct non-profit groups to its website for grant opportunities. Thank you Rotary! That address is <http://www.olyrotary.org/images/downloads/OlyRotaryGrantApps.pdf>

Again, thank you for your interest in the Adopt-A-Garden project. If you have any questions, please call Andrea Fontenot at 528-8020.
