MARCH 26 PORT OF OLYMPIA COMMISSION MEETING TO BE HELD IN YELM

The regularly scheduled March 26 Port of Olympia Commission meeting will be held in the City Council Chamber at the Yelm City Hall, 105 Yelm Avenue West. The meeting will begin at 5:30 p.m. In addition to standing Port business, the agenda will include an update concerning items of interest to the Yelm community.

In 2007, the Port Commission plans to schedule some of its regular meetings -in locations throughout Thurston County. These meetings are in addition to the joint meetings the Commission schedules on an annual basis with governance bodies from other jurisdictions within the County.

“As a county-wide port, it is important for the Commission to hear from people in all parts of the county,” said Port Commissioner Bill McGregor. “Holding our regular meetings in other locations is one way we can do that.”

About the Port of Olympia

The southernmost deepwater port on Puget Sound, the Port of Olympia is Thurston County's partner in economic opportunity. The Port owns and operates a diversified international shipping terminal, an established niche facility that handles a range of breakbulk and project cargoes. The Port also owns and operates a strategically located regional airport, a vibrant 656-slip recreational marina and boat haulout/repair facility, and a thriving real estate division. A community port, it generates an estimated 2,600 jobs in Thurston County and indirectly over 5,000 jobs in Washington State.
